English

Area chapter of the National Spinal Cord Injury Association. Advocates for the rights of spinal cord injured people. Writes letters, testifies or offers other organizational support.

The Spinal Cord Injury (SCI) Network has had to close its office in Rockville, MD due to

the drop off in funding. We do plan to continue with our work but will temporarily maintain an office in the home of Kimball Gray, who was elected President at our Annual Meeting/Picnic in August.

Agency can provide some assistance for Spanish-speaking persons. Non-English speakers may bring their own interpreter
