Comprehensive health care is provided by James H. Quillen VA Medical Center through primary care, tertiary care, and long-term care in areas of medicine, surgery, psychiatry, physical medicine and rehabilitation, neurology, oncology, dentistry, geriatrics, and extended care. In addition to providing acute care, the James H. Quillen VA Medical Center offers geriatric and rehabilitation services through its 120-bed Nursing Home Care Unit. The facility also operates a 295-bed Domiciliary that offers a variety of treatment options, which includes a Homeless inpatient treatment program and Homeless Outreach.
