Central Medical Group Primecare in Danville defines Family Practice patients as those who are at the clinics for follow-up visits, scheduled lab services, physicals & check-ups, and non-emergency consultations including management of hypertension and diabetes. Comprehensive medical care is available from pediatric and adolescent to adult and Urgent care is for patients who need immediate care due to illness or accidents. (For Life Threatening Emergencies Call 911 or Your Local Police, Fire or Rescue Jurisdiction)

Please make an appointment for routine medical care such as physicals and wellness visits. Sick care appointments are available on same day. Call as early as possible if you would like to be seen.
