Covenant Home Care is the perfect solution for seniors and others who aren't ready to leave their home for an institutional setting or live with relatives, but because of illness or chronic conditions need support to remain at home.

Caring companionship, meal planning and preparation, incidental transportation, running errands, light housekeeping, medication reminders, monitoring of safety while bathing, assistance with bill paying, information and referral services are areas covered by this program.

Constant family caregiving can bring about considerable stress. We provide a respite for the primary family caregiver, as well as companion care

Covenant Home Care is a member of The Senior's Choice, the nation's premier inhome companion care network, with over 150 members nationwide. All companion aides are certified through the Certified Companion Aide (CCA) program.
