Rental Assistance Program of USDA. The Rural Rental Assistance (RA) program provides an additional source of support for households with incomes too low to pay the HCFP subsidized (basic) rent from their own resources. HCFP pays the owner of a multi-family housing complex the difference between the tenant's contribution (30 percent of adjusted income) and the monthly rental rate.

Persons with very low and low incomes, the elderly and persons with disabilities are eligible, if they are unable to pay the basic monthly rent within 30 percent of adjusted monthly income. For more information or to file an application, contact the office.
