The Northern Virginia Family Service (NVFS) provides an Eviction Prevention Program. The Eviction Prevention Program is comprised of two housing services that provide emergency financial assistance to low and moderate-income households that are facing a housing crisis.

The Eviction Prevention Program includes the SHARE-HIP (Homeless Intervention Program), which provides assistance for rent, security deposits, and utility cut-off.

The HIP is funded by the State, and is administered in Arlington and Fairfax Counties. Case management services are a key component of the Eviction Prevention Program. Emergency financial assistance and case management services, offered through the Eviction Prevention Program, are provided to eligible Arlington and Fairfax County households.
