Care Advantage offers skilled nursing care. Home care offers intermittent, part-time services including skilled nursing, home health aides, physical therapy, occupational therapy, speech therapy, and medical social workers.

Nursing care services can include diabetic care, medication management, cardiac and respiratory care, wound and ostomy care, IV therapy, post-surgical care, bowel and bladder management, and more.

Personal care services include companionship, bathing, dressing, transportation, errands, meal preparation, housekeeping services, medication reminders, and live-in or drop-in care.

Services are provided to individuals with a multitude of diagnoses and conditions. Their caregivers and nurses are trained to help your loved one with their specific diagnosis or condition.

They can also provide a caregiver or nurse in the hospital, nursing home, assisted living facility, and more.

If you happen to have a problem, concern, question, or just want to tell them about their services, you can contact by calling the office, sending an email, sending a letter, stopping into the office, or there is an evaluation form on the website at www.CareAdvantageInc.com.
