MedStar Health Home Care provides skilled nursing care. Physician-prescribed care is provided in the comfort, safety, and privacy of your home. Whether you are homebound following a hospitalization, due to an illness or injury, disabled, or living with a chronic condition nurses can develop an individualized care plan in coordination with your physician to meet your needs.

Services include wound care, ostomy care, disease management education, IV therapy, occupational, physical, and speech therapy , and more.
