Winchester Medical Consultants offer primary and internal medical care. Core services include but are not limited to:

- cardiac evaluations
- flu shots
- health maintenance
- Medicare wellness evaluations
- patient education
- specialist care coordination
- skin conditions
- vaccines/immunizations

In addition to serving as your primary care provider, also available are same-day urgent visits; in-house bone-density scans; sports physicals for patients age 15 and older; and Medicare annual wellness physicals.

Our office offers an in-house lab and bone density testing for our patients.
