The Hampton Health Department has an Environmental Health Division that protects the citizens of Hampton with a wide range of services, including inspection of all food establishments, hotels, motels, tattoo parlors and piercing salons, public swimming pools and campgrounds; investigation of animal bites and childhood lead poisoning, beach water sampling and monitoring; processing of permit applications for onsite water supply and sewage disposal systems; and advice on solid waste, insect, and rodent problems. State fees are charged for food, well, and septic permits. Visit the [website](#) for more information.

This division also presents a variety of health education programs for civic groups, clubs, schools, etc. Call (757) 727-2570. Email inquiries to:
