The Norfolk City Department of Health offers numerous community outreach programs that are aligned with the health department's overarching objective of improving the well-being of Norfolk residents. Through these efforts, department staff aim to foster a culture of healthy living and encourage individuals to adopt positive habits that contribute to their overall wellness. Some of these programs include:

- BabyCare
- Chronic Disease Prevention Program
- Free Child Safety Seat and Booster Seats to Eligible Families
- Medicaid/FAMIS
- REVIVE! - Opioid overdose and Naloxone Education
- Smoking Cessation
- Community Events and Educations Requests
