Richmond Eye Associates provides family eye care, including medical and surgical care of eyes, from performing routine eye examinations to complex new Laser Vision Correction procedures and advanced glaucoma procedures. Optometrists and ophthalmologists on staff for complete eye examinations and routine eye examinations for glasses or contact lens.

Diagnostic testing is done for eye disease and disorders, such as eye infections, cataracts, glaucoma, corneal disorders, diabetic eye disease and contact lens related eye problems.

The Richmond Eye Optical Shop at Innsbrook is adjacent to the medical office.
