Jackson River provides treatment and training to persons age 16 and up who have vocational disabilities, intellectual disability or physical disability. Using work and work-related activities, the primary program emphasis is to provide an opportunity for the vocationally disabled person to acquire appropriate work behaviors, achieve increased independence and to receive wages for the performance of work subcontracted from area industries.

Jackson River provides transportation, job training, benefits consulting, work supervision, paid work, resource center, community links, CARF accredited, individualized work plans and work conditioning.
