Recovery Houses are part of our transitional living model. There are two recovery houses in operation, Discovery Place 1 and Discovery Place 2. Both houses provide a stable residence for individuals who are working toward mental health goals. The typical length of stay in these facilities is six to 12 months.

Discovery Place 1 804-758-3503

Discovery Place 2 804-313-2041/2051

Administration Office 804-533-5221

The Mental Health Apartment Program helps to find apartments for persons who are disabled by mental health and capable of living independently with minimum supervision.
