This program offers respite care to Chesapeake families who have a family member with Intellectual Disabilities. Respite Services provide temporary relief for families from their care-giving responsibilities in the form of small financial grants. Relief may be arranged to give families the opportunity to pursue social outlets or when an emergency arises. Services are provided to persons of all ages. Please contact 547-8902 for details.

Based on a family support model the service offers families choice and control over how, when, where and by whom their respites will be provided.
