Forest View Rescue Squad offers classes to the community in life saving at the Midlothian location. These classes are offered periodically.

The squad is host to many training class each year that are open to the public. These classes include cardio-pulmonary-resuscitation (CPR) and Emergency Medical Technician (EMT). The members of the rescue squad provide many other services to

our community:

Presentations are made to civic groups and tours of our buildings;

Standbys at community events and public events such as concerts, races and sporting events;

Safe Place (teens in crisis can go to station when they have a family or personal crisis);

Blood drives are offered during the year.

A curb ramp for parking lot and entrance ramp is available. Two of the three stations are accessible internally for the physically disabled, hearing impaired, or visually impaired.

Other locations at 5327 Forest Hill Avenue and 9091 Grove Road.
