The James H. Quillen VA Medical Center offers geriatric and rehabilitation services through its 120-bed Nursing Home Care Unit. Level of care provided includes individualized, planned care that supports patient and family care, treatment, rehabilitation goals and other needs; physical, psychological and social status assessment, integration with treatments provided by other medical centers and more.

The facility also operates a 181-beds Domiciliary that offers a variety of treatment options, which includes a Homeless inpatient treatment program and Homeless Outreach.
