Volunteers provided mentoring services to youth ages 6-14 years old. Volunteers are professionally screened and offer one-on-one relationships to provide guidance and friendship to a child living in an "at-risk" environment. The child and volunteer meet approximately 2-4 hours each week in the community and participate in activities they both enjoy.

To volunteer, you must be 19 years of age; Be open to being matched with any same-gender child in need; Live or work within a 30 minute drive of a child waiting for a mentor; Be able to commit to a 1 year relationship, meeting at least once per week; Provide 3 references; Own a car and have a valid driver license and proof of insurance.

All volunteers must pass a series of background screening to include Child Protective Services, Department of Motor Vehicles, Criminal History report and three reference checks. Please call the office for more information and [complete and submit the form](#) on the website.
