People Offering Resources Together (PORT) provides emergency shelter, dinner and breakfast for over 20 weeks from November through March. Over 130 interfaith groups provide the facilities, volunteers, food, clothes, and other resources to homeless men, women, and children in the area. A different church is a host for the shelter each week.

Additional services are provided through contract or collaborative partnerships with other service provider agencies. [Check Here for a schedule, locations](#) and other information. Call for pick up points and times or visit the website.

PORT is hosted by community churches that start preparing two (2) months prior to November. The program runs from November - March or April, and hosted weekly by different churches. The church also provides two meals, dinner and breakfast. They provide a social worker who schedules meetings and training seminars for clients of PORT.
