The Wellness Center (formerly the LIFE Center) at Fauquier Health offers an individualized and medically based exercise program using exercise and education to facilitate good health. The emphasis is on individualized success, with lots of equipment choices and one-on-one attention from exercise specialists. Cardiac Rehabilitation, Massage Therapy and Pulmonary Rehabilitation are available.

For existing injuries or chronic illnesses, like heart or lung disease, arthritis, and many other conditions, the correct exercise can vastly improve a person's quality of life by bringing the body up to its best functioning level.

Talk to your doctor to see if the Wellness Center is right for you.

Membership includes full range of classes, including Yoga, Pilates, aqua classes and group exercises. Discounts on massage services and personal training services. call for information about a range of membership options, including special pricing for couples.
