Located in a rural part of Prince Edward County, Helton House provides homes with 24-hour supervision and services for individuals with intellectual disabilities. Services are based on the needs of the individual. These services may include training and support necessary for the person to maintain personal care and social skills, and completely independent living tasks. Supported Home Living also helps develop and improve community living skills. The homes are located near the main office, day support programs, doctors, dentists, and other local service providers.
