Portsmouth Department of Behavioral Healthcare Services provides case management or service coordination services, linkage to benefits and services, and monitoring overall progress for individuals with long term mental illness.

Case Management provides assistance to individuals and their families to access services and supports that are essential to meeting their basic needs identified in the individualized service plan (ISP), which include not only accessing needed behavioral health, developmental disability and substance abuse services, but also any medical, nutritional, social, educational, vocational and employment, housing, economic assistance, transportation, leisure and recreational, legal, and advocacy services and supports that the individual needs to function in a community setting.

Services provided on-site and in the community.
