Blue Ridge Home Health Services offers skilled nursing services. Skilled nursing services are provided under the care of a registered nurse. Services available are management and evaluation of a patient's care plan, teaching and training activities, administration of medications by injection, infusion therapy, ventilator management, tracheostomy care, tube feeding, wound care, pain management and more.

The staff of nurses, certified nursing assistants, and therapists provide a broad spectrum of services to clients of all ages.

Respiratory therapy is available to help patients breathe better.
