At the Hampton-Newport News Community Services Board, Mental Health Case Management offers services for adults with serious mental illness who may need help to keep them living independently. Case Managers help these adults and their involved family members develop a plan to meet their needs. The Case Manager links consumers to other services, assists them in getting services, and arranges transportation. Case Managers help adults who are being discharged from hospitals and residential facilities resume life in the community. Case Managers provide

counseling to support daily living and resolve crisis.
