This Agency is a recipient of the Behavioral Supports and the Complex Health Supports Provider Specialty Designations.

CRI, formerly Community Residences Inc., supports many consumers who live independently in CRI owned or leased apartments. These individuals receive integrated case management consisting of tailored services and with a frequency appropriate to their experience and ability to function on their own within the community. The goal is to enable continued consumer independence with a minimum of support.

This program provides transitional supportive living arrangements for eight adults with mental health diagnoses. Vaughn Ball offers a home-like, family atmosphere while providing resident-focused, individualized care in the most appropriate setting and utilizing extensive input from residents, families, staff and a physician. The

average length of stay in this program is two years. Vaughn Ball is staffed with a Program Manager and three mental health counselors (two full-time and one part-time).
