Riverside Home Care Services provides skilled nursing services; physical, occupational, and speech therapy; home health aide services; medical social worker services; certified wound care specialists; infusion therapy and home telemonitoring.

Riverside opened its first home health agency in 1982, based at Riverside Regional Medical Center and designed to smooth the transition from hospital to home. The opening of our second home health agency in the upper Middle Peninsula and Northern Neck area enabled Riverside to extend service to all of the residents on the Peninsula, Middle Peninsula and Northern Neck areas of Virginia.

Riverside Home Health services include:

- Wound Care.
- Skilled Nursing.
- Physical, Occupational and Speech Therapy.
- Pain Management.
- LVAD (Left Ventricular Assistive Device) Care.
- Infusion Therapy.
- Certified Wound Care Specialist and Colostomy Care.
- Oxygen and in-home technology equipment through Riverside Medical Equipment.
- Smooth transition to the compassionate care and support of Riverside Hospice.
