Jerolin Management Services offers residential homes for individuals with intellectual disabilities.

Sponsored residential is a unique program which enables an individual with mental or developmental disabilities the opportunity to be a part of a family and community as opposed to living in a group home or institution. The sponsor (the individual or family providing services in their home) is responsible for ensuring the customer's health and safety, implementing the Individual Service Plan (ISP), delivering services, coordinating and tracking medical care. Sponsoring a customer can be an exciting and rewarding career opportunity.

Sponsored homes are located in Petersburg, Chester, Richmond, Colonial Heights, Hopewell, Sutherland and Chesterfield. Call the office for more information.
