Silver Cross offers low cost accessibility solutions: recycled and new healthcare equipment.

Silver Cross is an objective information resource that tries to provide the ideal solution at the best price.

Staff has done research on manufacturers and vendors; will assist you in learning about local funding sources and helps to improve quality of life for equipment such as stair lifts, residential elevators and leefts, home elevators, chair stair lifts; wheelchair lifts, ceiling lifts and more

Visit the website or call the toll free number for more information.

Local funding information is available on the website after you send an email with your information.
