Destiny Services offers a variety of treatment interventions generally to individuals, groups and families on an hourly schedule basis at the office location. These services include, but are not limited to, intake and screening; counseling; psychotherapy; behavior management; assessment; anger management; domestic violence; parenting; substance abuse; and marriage and family counseling.

Destiny Services' mission is to advance the availability and practice of mental health rehabilitative services so that individuals with a serious mental illness have access to the supports they need to recover.
