Virginia Beach Community Development Corporation (VBCDC) offers a permanent rental housing program to provide stable, affordable rental housing opportunities for low-moderate income persons or the elderly or individuals with mental health disabilities or developmental disabilities and homeless veterans. These programs provide affordable housing by charging below-market rents to income eligible persons. The program provides rates that are below market.

VBCDC owns units scattered in various neighborhoods throughout the city, including Lake Edward, Green Run, Northridge, Princess Anne Plaza, Indian Lakes, Campus East, and Rosemount Forest.
