Liberty Mental Health Support Services (MHSS) of VABODE provides training and support to enable individuals with significant psychiatric functional limitations to achieve and maintain community stability and independence in the most appropriate, least restrictive environment. Liberty serves adults with diagnosable mental illness such as depression, anxiety, bipolar, or post-traumatic stress that need help managing key aspects of their life. This service is focused on assisting clients to live independently. Support is provided for functional living skills, medication management, and case management.
