The Physician Referral service is sponsored by Inova Health System. Only physicians with appropriate medical staff privileges at an Inova Health System affiliated hospital may participate. There is no charge or fee to you or for the participating physician for our service. Physician participation is voluntary.

Physician referrals will be based on your referral needs and preferences of location, specialty, and rotation availability of the physician.

The physicians on our referral panel are independent practitioners or physician employees. The independent practitioners are not employees, agents or representatives of Inova Health System and are solely responsible for their provision of medical care to you.
