Breath Matters is a lung disease support group for Central Virginia. Support groups can be instrumental in improving psychological motivation. The group provides a safe haven for open discussion of the physical and emotional challenges that individuals with a respiratory-related illness face each day. Some of the lung

ailments we address; COPD, asthma, Cystic Fibrosis, Dyspnea, emphysema, bronchitis, LAM, Sarcoidosis, tuberculosis, and black lung.

The group meets on various dates and times. Call the office to learn about news and to hear speakers on the ailments affecting our lives.
