HumanKind offers Supervised Living Services for residents with intellectual disabilities in Lexington and Zuni.

This program provides daily supervision and community support services to individuals living in apartments or other residential settings. No staff member lives with the individuals, but someone is always available on a 24-hour basis if needed.

Services are provided based on the needs of the individual in areas such as food preparation, housekeeping, medication administration, personal hygiene, and budgeting.

To learn more about how we can serve your needs, call 1-800-881-0087. We are giving first consideration to individuals that have Medicaid waiver funding. All admissions are evaluated on a case by case basis.
