Norfolk Community Services Board's Child and Adolescent Services is comprised of a team of clinical professionals who provide a wide array of comprehensive mental health services to children and adolescents. Through a continuum of care model, Case Managers provide thorough assessment and treatment options that are most fitting for each individual and their family. The team of mental health professionals includes specialists in counseling, psychology, psychiatry, nursing, art therapy, and social work.

Case managers ensure that the physical, medical, educational, social, mental health and personal needs of the youth and their families are met. These services include

service plan formulation, service provider linkage, monitoring, outreach, advocacy, psychosocial support, and a needs assessment.
