Veterans can call Neighbor's Keeper (NK), if they do not qualify for insurance through the VA health care system. NK will help the Veteran use the Affordable Care Act (ACA) in order for the Veteran to receive money to lower the cost of his family's health insurance cost.

The amount of money given to reduce the cost of buying insurance varies based on the amount of money an individual earns. A family of four earning \$32,000 a year or less and up to a maximum of \$94,200 will also receive money to lower the cost of buying health insurance.
