Encompass Home Health offers skilled nursing care in your home. In-home care is more comfortable for patients, lowers the risk of infection, lessens the likelihood of future hospitalizations, and promotes activities that improve the quality of care.

Services can include pain management, medication management, IV therapy, stroke management; wound care, influenza management, catheter care, dehydration awareness, cancer care, and more.

Call about specialty programs available: Orthopedics, cardiopulmonary, balance and fall prevention, and diabetes management.
