Community Care Clinic in King George is a full-service family practice of dedicated, experienced physicians who believe in working with our patients to maintain and improve their health. We work together to serve your entire family for all of your

medical needs in all stages of life. Our physicians believe in providing comprehensive health care services to our patients in a friendly, relaxed atmosphere. We also believe in educating our patients as we work with them to achieve the best physical state possible.

Services can include, but are not limited to, annual physicals, well child exams, well woman exams, immunizations, preventive health care, and more.

Typically same day appointments are available.

You can get agree in-person help to explore your options through [HealthCare.gov](https://www.healthcare.gov). The in-Person Assister can help you look at options and apply for health insurance.
