DispatchHealth provides on-demand healthcare in the convenience of your home. Board-certified clinicians or ER-trained practitioners are dispatched to your front door, equipped with all the tools necessary to provide advanced medical care. The medical team includes doctors, nurse practitioners, and physician assistants who have experience evaluating acute injuries and illnesses and work closely with the patient's care team.

Areas of injuries and illnesses we treat include common ailments such as flu, urinary tract infections; eye infections, and pink eye; gastrointestinal such as diarrhea, nausea, and vomiting; respiratory such as asthma attacks, bronchitis; hives; rashes; ear and sinus infections; vertigo; joint or back pain and sprains.

IV Fluid administration, Labs, and Rapid infectious disease testing are just a few of the many procedures we can perform in the comfort of your home. In addition, we can perform stitches, splint injured extremities and arrange for x-rays, plus many more.

Coming soon will be video consultations. DispatchHealth partners with Bon Secours Richmond Health System to provide on-demand urgent care to Richmond residents.
