Lynchburg Redevelopment & Housing Authority provides an Affordable Housing Resource Center. This program is designed to help individuals and families find affordable housing resources in the area. The Center will

- house the offices of the Housing Navigator and other LRHA employees.
- have a dedicated resource area for ALL local agencies, non-profits and small business to display their print materials
- have a small computer lab for the public to use while searching for affordable housing

The Central Virginia Continuum of Care (CoC) has created a centralized entry point to homeless services for families and individuals who are homeless or at risk of homelessness. Coordinated Homeless Intake & Access can be reached at (434)-455-5722

We focus on ending homelessness and providing homes to those who otherwise would not be able to afford housing for themselves or their families.
