Boss Transport and Family Services (Boss) provide accessible transportation to older adults to doctor's appointments, dropping off and picking up prescriptions, and other

daily activities including grocery shopping, bank, post office, going to a movie, or just going for a ride to get a breath of fresh air. Transportation is also available to the airport, to daycare facilities, or nursing facilities to visit, family events, or community events.

Boss hopes to help make the lives of older adults and people with special needs living in the area easier and more comfortable. We provide ambulatory, wheelchair transportation, stretcher, and concierge services.
