Tri-Area Community Health at Grayson Highlands opened across from Grayson Highlands School in January 2021. They have a Family Nurse Practitioner onsite, offer Behavioral Health services through technology, and have a prescription delivery service. Their staff is qualified to manage most medical problems that might arise, both acute and chronic, in all ages of patients. This care extends from pediatrics to adult and geriatric patients and includes routine laboratory testing and family planning.

Service Area(s)
Grayson County
