Synapticure offers personalized care online and to your home. It was built by patients, caregivers, and clinicians to transform care for those living with Amyotrophic Lateral Sclerosis (ALS), Primary Lateral Sclerosis (PLS), and Parkinson's Disease.

Services include:

- Virtual medical care including neurologists including movement disorder specialists,
- Care coordination to develop a holistic, individualized care plan involving clinical social workers,
- Patient education,
- Insurance navigation,
- Genetic counseling and testing from home.
