Heaven's Rays Ministries is a private practice focused on providing professional counseling services, equine-assisted psychotherapy, outreach, and events to the community with the hope that others may experience Christ's love, comfort, and eternal promise of Heaven.

Christian professional counseling services are provided for individuals ages 6 and up, families, and group counseling opportunities. Counseling is offered via telehealth, in-person on a farm setting with options to walk and talk on trails and observe animals, and equine-assisted psychotherapy with a horse present in the counseling session.

Please check the website for the most updated information about fees, insurance, and scheduling. All faiths and backgrounds are welcomed, but please keep in mind this is a Christian counseling practice.
