Event Cost

\$0.00

Event Description

The **Caring for a Veteran or Military Service Member** presentation will be held on Wednesday, February 28, 2024 from 12 pm until 1 pm ET. Join us for a virtual presentation hosted jointly between AARP Virginia and American Red Cross to learn about peer-based support and services available to connect individuals providing care for veterans and service members.

Being a military or veteran family caregiver may be one of the most important and challenging roles a person will undertake. Military and veteran caregivers often face a series of unique challenges and emotions along their caregiving journey. Armed with the information gained from this presentation, caregivers can begin or further explore the support and service options available in their community.

Contact AARP Virginia at [aarpva@aarp.org](mailto:aarpva@aarp.org) for more information.
