Event Description

Non-Surgical Solutions will be held on Tuesday, April 16, 2024, from 4 pm until 5 pm.

Dr. Shawn Pallotti discusses various joint problems and non-surgical interventions that can improve your quality of life. Get empowered with knowledge and resources to improve your health and wellness, fostering independence and promoting an active lifestyle.

Free and open to all. Register.

NOTE: Sessions are held on the first and third Tuesday of each month.
