Event Description

The 2024 Virtual Family Engagement Summit will be held on Saturday, April 20, 2024, from 9 am until 4 pm.

"Unveiling the Secret: We Are All on the Same Team"

PEATC, in collaboration with the Virginia Department of Education, is excited to present this year's summit. This one-day virtual summit will highlight the essential elements that connect parents, caregivers, educators, and community leaders with the shared goal of nurturing authentic partnerships and promoting student achievement.

Our nationally recognized speakers will emphasize the importance of cohesive support. Attendees will participate in sessions designed to unveil strategies for building effective support systems and explore ways to create synergy and robust support systems for student success.

Don't miss this chance to be part of a transformative event that will greatly impact our approach to family engagement in schools and communities.

Several attendee raffle prizes will be awarded throughout the day! You must be present to win.

Learn from presentations by:

- Dr. Chiquita Seaborne, Family Engagement Specialist/Special Projects Coordinator, VDOE
- Dana Yarbrough, Associate Director, Partnership for People with Disabilities
