CS Management Services provides 24/7 - 365 days-a-year residential care and services for individuals with intellectual disabilities. Trained staff assist with life skills through the use of natural supports, community resources and therapeutic strategies and interventions that will provide daily opportunities for personal empowerment in various aspects of community living. The staff offers a wide range of person-centered services to meet the healthcare needs of the residents. They assist individuals with:

- Community Integration
- Shopping assistance
- Dressing/ bathing/ grooming

- Friendship and social skills
- Housekeeping
- Personal hygiene and health maintenance
- Medication administration/reminders and meal preps
- Transportation
- And more
