Glen View Care is a DD/ID Waiver residential group home. The home is licensed by the Virginia Department of Behavioral Health and Developmental Services. They provide training in the homes such as self-care, communication, independent living skills, behavior management, and community living skills. There is support provided in the area of transportation, medication administration, and accessing community resources. The programs are staffed by Direct Support Professionals who provide skill-building and safety supports outlined in the individuals person-centered plan.
