## [Veterans Food Assistance Program](#)

I have never been so **overwhelmed with joy and gratitude**. I put in for the groceries on October 1st, October 3rd it was approved and sent out the same day. It is so disheartening and demoralizing as a father to not be able to feed your family. **Thanks to the VFAP my fridge and freezer both were filled** as well as I also received diapers and wipes. I am beyond grateful and can't thank them enough. You all brought tears of joy to my eyes...Program Recipient

### **Program Mission**

It is our goal to ensure that no veteran goes hungry by providing essential food assistance and household support, fostering stability and well-being in the lives of our veterans and their families.

### **Program Overview**

The Veterans Food Assistance Program (VFAP) is designed to provide a one-time grant of essential food and household support to veterans and their families, ensuring no veteran goes hungry. With the rising cost of living, especially food prices due to inflation, this program offers a much-needed lifeline to those who have served our country. Once approved, the DVNF program team will handle the shopping for you.

### **What The Program Can Provide**

The Veterans Food Assistance Program provides a one-time grant per household to support different family sizes, given the rising cost of food.

### **How To Apply For Assistance**

Veterans can apply for assistance through our online application form available on the DVNF website. Once approved, the DVNF Program Team will take care of the grocery shopping based on the specified list.

**Applicants will need to provide:**

- Proof of veteran status
- Proof of income
- Information on household size
